

The Homestay Program is designed as a "last resort" program not an easy, cheap alternative to finding a hotel/motel. Please make every effort to find accommodations before submitting an application.

In order to alleviate some of the local accommodation problems faced by athletes participating in this year's Eagleman 70.3 Ironman Triathlon, we have a local Homestay program with accommodation provided by local families.

The program is designed to assist athletes having difficulty finding hotel/motel accommodation, not as an alternative. **Please attempt to find official accommodation before applying for Homestay**

Every effort is made to accommodate people traveling together with one host but as vacancies become limited, this may not always be possible. The host families know this is a volunteer program and in most cases, do not expect any re-imbusement for their effort.

We try and allocate hosts on a "first come, first served" basis but this may not always be possible.

We ask our hosts to be as generous as possible but we do not ask them to host more than the Friday and Saturday nights at a maximum. Some are willing or only able to host on Saturday only. As this is a program to supplement limited Hotel/Motel accommodation during the weekend, please do not ask for accommodations for the Thursday night. Do not assume or ask that your hosts provide you with anything more than a place to sleep and shower. Be considerate and realize that they are offering space in **THEIR HOME** to you.

Once your application has been processed, please do not ask your host if you can bring some extra friends. This puts hosts in a very difficult position and makes planning beds to applications impossible for the Homestay organizer. All requests for Homestay **MUST** be processed through this site.

Administrative Fee

There is a \$25 per person fee for this program. This covers costs, and profits are used to make donations to local organizations involved in the Triathlon. Payment should be mailed to the address shown at the bottom of the page. Please make checks made payable to: "CTA - Eagleman Homestay"

Applications cannot be processed until payment is received.

Registration

There will be a Homestay/Camping Registration table at Race Registration at Sailwinds Park. Please check in there. Hosts are invited to leave directions and other information there for you to collect.

Cancellations

Finally, if you withdraw from the Race, please inform your Homestay Organizer as soon as possible. This will allow us to re-allocate available beds.

Make check payable to: **CTA** and mail the completed application and check to: (no c/c accepted)
